Hi there,

Thank you for keeping us updated.

I've passed this on to our team who are continuing to look into it. This has been paused for now. We'll keep you informed on the progress of the bug fix so we can get the site moved over to Horizon as soon as possible.
Hi there,

Thank you for keeping us updated.

I've passed this on to our team who are continuing to look into it. This has been paused for now. We'll keep you informed on the progress of the bug fix so we can get the site moved over to Horizon as soon as possible.
